AERIAL SILK

In this sensual performance, Andrea Wick blends her femininity with breathtaking falls. The act is perfectly choreographed to the wonderful blues "Deep in the Night" sung by Etta James.

Andrea Wick's expression, her skills and the powerful music make this performance a feast for the eyes, ears and soul.

TECHNICAL REQUIREMENTS

aerial silk

- duration of act 5 minutes
- minimal height of 5.5 meters
- aerial fixing point with 300 kg suspension capacity

REFERENCES

The talented and beautiful Andrea Wick is a young but accomplished performer from Zurich, Switzerland.

Her ecstatic joy for trapeze started at a young age and she soon began performing in "Eva La Joie's Children Circus" at the age of 9. At the age of 19 she went to Paris, France, to study at the famous "Fratellini Circus School" and immediately upon graduation began a tour with the "Crazy Hotel Company" dinner show in her native Switzerland.

Andrea Wick has brought her act to the "Taipan Circus" in Singapore, is a 3-year veteran of the "Palazzo Colombino" in both Germany and Switzerland and has headlined in 3 shows of "Ikspiari" in Tokyo, Japan.

Recently, her performances have dazzled audiences at the famous "GOP Varietés" in Germany.

Never content to rest on her talents, Andrea Wick has been busy completing her study of the thrilling art of trapeze and aerial silk at the world renowned "Moscow Circus School" in order to constantly add new exciting elements to her acts.
